

Course Title	BTEC Level 3 Extended Diploma in Art and Design
Level	Level 3
About the Course	<p>In this course you will explore a range of art and design disciplines including Drawing and Painting, Graphics, 3D Design, Photography and Printmaking. Tutors will encourage you to work imaginatively and creatively exploring different materials and techniques. Alongside this there are important assignments in contextual and historical studies of art and design. The exploration of the work of others will enhance your understanding in this multi-disciplinary course and challenge your own creative ideas.</p> <p>Throughout your studies you will produce an extensive portfolio addressing specific assessment criteria and this exciting body of work will be suitable for university or employment interviews.</p>
Progression Routes	Developing your creative understanding can be useful in many fields of learning as well as a range of careers. It is particularly appropriate for those who want to pursue a career in fine art, graphic design, advertising, illustration, industrial or product design, history of art, teaching, museums and a range of creative industries.
Method of Assessment	The BTEC Extended Diploma is assessed through a range of practical and written assignments.
