Costs and Financial Assistance

Lancashire Transport Costs

Buses

From Aughton, Ormskirk and Skelmersdale for 2011 – 2012 the College have organised to run one double decker bus from Skelmersdale combining the previous two routes of the 964 and 762. The bus will be numbered as the 762 and the fare will be £1.50 for a single journey, paid on boarding the bus.

A minibus is being hired for students travelling from Aughton and Ormskirk. Students will be required to pay £2.00 for each single journey. The minibus, numbered 964, will also pick up students from the Skelmersdale War Memorial. The cost from the War Memorial will be £1.50 for a single journey to bring it in line with the cost on the Skelmersdale 762 bus.

Note that there are no return fares on either service.

Trains

If you wish to participate in the Lancashire Train Scheme for the coming year you will need to apply for a train pass. Forms can be obtained from the College Reception.

The College has kept the cost of the transport the same as it has been for the last couple of years, by subsidising each train pass from College funds. The cost is £360 for the full year payable by ParentPay. The train pass is for use to Gathurst (the railway station at the bottom of the hill) and can only be used in term-time to access the College. No other concessionary passes can be used before 9.30 am and so the College has an agreement with Lancashire to procure the passes from Northern Rail.

Parents are required to pay via a cashless payment system called ParentPay. Students are issued with an email account when they begin their courses at College and an electronic letter will be sent with the password for their ParentPay account. The ParentPay system can be accessed via the icon on the homepage of the College website, www.sjr.ac.uk, or directly at the website www.ParentPay.com. Payment can be made online by credit or debit card. Parents wishing to spread the cost may do so via their credit card.

A temporary pass will be issued for use at the beginning of the Term for use on the train until the permanent passes are issued. Please bring take the application form to the College Reception along with a passport photograph with your name and address on the back. When payment has been processed the form will be sent to Lancashire for the pass to be issued by the College.

Greater Manchester Costs

Greater Manchester students can reduce the cost of bus travel by buying a TfGM (formerly GMPTE) Scholar's Pass for £5.00 which will enable you to travel at a reduced rate on College contracted buses and half price on the commercial bus journeys and the train.

TfGM Scholar's Concessionary Permit forms can be picked up from College at enrolment for new students, or at Reception for returning students. Two passport photographs, signed on the back, need to be stamped with the College's logo. The form and photographs, together with £5.00 and proof of age (i.e. Passport or Birth Certificate) can be taken to a TfGM Travel Shop or posted to:

Travel Concessions
Customer Services: TfGM
PO Box 429
Manchester
M60 1HX

(do not enclose original documents, photocopies only should be sent)

Permits are only valid for **one year**.

You must show your concessionary pass on every journey if you wish to travel for the concessionary fare. Without your pass the full adult fare will be charged.

Please note the permits are for the named person only, any attempt to use another person's pass may result in prosecution by Greater Manchester Transport Authority of all parties involved.

After Sunday, 3rd April 2011, a simple 3 band fare structure was introduced for passengers on a subsidised school bus service for those students who have a Concessionary Scholar's Pass. The new fares will be £1.00 for a short single journey, £1.20 for a single medium length journey and £1.40 for a single long journey.

Students travelling on commercial journeys, or the College buses, will be required to pay half fare with a Scholar's Pass.

There is also a Young Persons Pass available at a cost of £14.25 per week which covers 7 days including evenings and weekends which may be of benefit for students. Please contact your TfGM Travel Shop for more details.

The Travel Cards enable students to travel on every bus operator in the Greater Manchester System 1 Travel Network.

You do not have to live in the Greater Manchester area to apply for the System 1 pass, but you must board the bus within the Greater Manchester area.

Bus Saver 7* enables students, aged between 16-21, to travel anywhere in Greater Manchester for 7 consecutive days, any time of day or night until 4 am. The cost of the pass is £14.25.

Bus Saver 28* enables students to travel monthly for a cost of £51.00.

Bus Saver Annual* enables students, aged between 16-21, to travel at a cost of £530.00 for the year.

Forms can be obtained from www.tfgm.com by clicking on to System One Travelcards. The forms may be returned to any TfGM Travel Shop. Students must take with them a recent passport photograph together with proof of age (e.g. birth certificate, passport).
